Noble Care is welcoming another CNA! Recently, Mary Ramsdell joined our team. Having worked the past 20 years at an assisted living facility, Mary was eager for a change and found Noble Care, LLC. Mary is an incredible CNA with a caring heart!

Linda Abel also joins Noble Care after a long career (22 years) working with multiply handicapped children in the Special Education Department of the West Hartford School System. Linda is an attentive and patient caretaker who loves people and really enjoys getting to know our clients!

This month, Noble Care participants celebrated Amelia Earhart Day! Thanks to Mary Prescott's incredible presentation, clients learned about Earhart's life and then participated in themed crafts and games! We look forward to the next themed day!

Noble Care has recently finished building out the back rooms! We are pleased to announce that we now have a travel themed room for games and general activities as well as a forest themed room for crafts, games, and sensory stimulating activities!
