

NOBLE CARE NOTES

(860)-436-5159

15 Elm St, Rocky Hill CT

Noble Care attended a Paint and Sip marketing event at the beginning of June hosted by The Residence at South Windsor Farms. This fun event enabled Noble Care to not only show off our art skills, but also make some great connections.

Our open house was an amazing success. With live music played by Bill Naughton Jr, and amazing food, Noble Care was able to welcome new people to the center and finally announce our opening to the public.

Noble Care participated in a Walk to End Alzheimer's fundraiser! We gave out succulent plants to all those participating in the incredible scavenger hunt that was put together at Factory Square in Southington. We look forward to attending more events like this in the future.

ALZHEIMER'S  ASSOCIATION®

Joe Rossetti put together another great presentation for our clients and their families! Rossetti created a stock market presentation where attendees learned about investing and how the stock market works. Joe also encouraged people to invest in a couple of stocks (again using funny money). We look forward to seeing how our 'investments' will pan out!
