We **rocked** Earth Day! 

After planting flowers and discussing the beauty of nature, clients created 'birds nests' which decorated our center.

Joe Rossetti, a Noble Care volunteer, taught clients and families how to determine the most successful horses in the Preakness. Using funny money, participants placed bets three days before the races. Most were 'winners'.

In honor of Memorial Day, clients learned a bit of American history and decorated themselves and Noble Care in red, white, and blue. Mary, our outstanding caretaker, made a flag cake which was decorated using strawberries, blueberries, and, of course, whipped cream.

Join us on Thursday, June 15 for our first open house! We will serve refreshments and hors d'oeuvres as we show you the incredible work Noble Care has been doing.
